

February 2024

COMPANY LABORATORY STATEMENT TO WHOM IT MAY CONCERN

Regarding Company Laboratory:

Herewith the signatories declare that our company laboratory at OVODAN Eiprodukte has an exemption from the obligation to obtain a permit for microbiological analyses, including pathogens, and is approved in accordance with local law (§45 passage 3 Infektionsschutzgesetz) and under the supervision of the responsible health authority.

Furthermore, our company laboratory is also part of the annual BRC Food certification and we regularly take part in corresponding independent proficiency tests.

For further information, please do not hesitate to contact us.
