

## FOOD FRAUD TO WHOM IT MAY CONCERN

Regarding Food Fraud:

### **Vulnerability Assessment and Threat Analysis**

OVODAN EGG GROUP is BRC certified and audited against BRC Global Standard for Food Safety version 8/9, which includes new requirements aiming to minimize the risk of food fraud and requires a documented vulnerability assessment (section 5.4) and restricted requirements for supplier approval (section 3.5).

OVODAN EGG GROUP has had an Ethical Audit which is updated on our SEDEX-Account and fulfills all relevant criteria's.

OVODAN EGG GROUP have evaluated the supply chain to point out possible threats and implement necessary preventative or controlling measures if such are not already in place.

As a proof of our compliance to the BRC standard please find our latest BRC certificate on our Homepage:
