FOOD FRAUD TO WHOM IT MAY CONCERN

Regarding Food Fraud:

Vulnerability Assessment and Threat Analysis

OVODAN EGG GROUP is GFSI-certified and audited against BRC Global Standard for Food Safety version 9 in Denmark and Food Safety System Certification 22000 FSSC 22000 version 6 in Germany, which includes new requirements aiming to minimize the risk of food fraud and requires a documented vulnerability assessment.

OVODAN EGG GROUP has had an Ethical Audit which is updated on our SEDEX-Account and fulfills all relevant criteria.

OVODAN EGG GROUP has evaluated the supply chain to point out possible threats and implement necessary preventative or controlling measures if such are not already in place. As proof of our compliance to the BRC and FSSC 2200 standard please find our latest BRC and FSSC 22000 certificates on our Homepage:
