

RESIDUES

TO WHOM IT MAY CONCERN

Regarding Residues:

Regarding absence of Residues in OVODAN products, we of course comply with the European legislation, and to cover this, we once per year screen the powder for residues.

As a routine, the following are checked:

- Antibiotics
- Heavy metals
- Pesticides
- Fipronil
- Nicotine
- PFAS
- Furanes
- PCB's
- Dioxins
- Aflatoxins
- Chlorate

The guidelines for the acceptable limits within Europe are described in the European law, and below you have the link to these.

Dioxins and PCB.
