SALMONELLA

TO WHOM IT MAY CONCERN

Regarding Salmonella:

Herewith the signatory declares that all the egg products of OVODAN EGG GROUP meet the requirements of national and EU regulations and guidelines as well as the standards of the CODEX ALIMENTARIUS.

We herewith confirm that OVODAN Hen Egg Products in all aspects are produced and marketed under conditions following the European regulations for egg products (for example the *COMMISSION REGULATION (EC) No 1651/2001 of 14 August 2001 amending Regulation (EEC) No 1274/91 introducing detailed rules for implementing Council Regulation (EEC) No 1907/90 on certain marketing standards for eggs*).

We herewith confirm that all OVODAN Hen Egg Products comply with OVODAN and customer specific specifications as well as additional requirements. We declare that no salmonella contaminated product will be released for sale or shipment. We as OVODAN Egg Group strictly monitor the quality and microbiological status of the produced hen egg products.

We kindly ask that our customers keep us informed of their requirements and expectations regarding the raw materials requested
